### What is the GHCCM Health Care Card?

The GHCCM Health Care Card gives qualified individuals access to **medical, pharmacy, dental, and vision services**. To be eligible for these services, applicants must:

- Have **household income within 300% of the Federal Poverty Guidelines**
- **Not** be eligible for **Medicaid, Medicare, or private insurance**
- Be **18 years of age or older**
- Be a **resident of Catawba or Alexander County**
  - Individuals **from outside these counties** may be accepted if they are **diagnosed with or at risk for Hepatitis C**

Once approved, cardholders gain access to GHCCM's **medical and pharmacy services**.

→ **Underinsured:** individuals or those with **Medicare** may still qualify for **dental and vision services** if they are not covered for those services and meet the income guidelines.
